

Team Behaviours

We communicate openly and honestly

Anything can be challenged - constructively and respectfully

We seek to understand and challenge the status quo

Internally we debate, externally we are united

Our decisions are well considered and based upon good science and risk management principles

Our decisions consider all stakeholders

We celebrate success

We have the courage to call out situations where team behaviours are transgressed

We are inclusive, collaborative, supportive and treat everyone fairly and with respect

We don't tolerate discrimination, harassment, bullying or sexual harassment
