Shareholders with any questions are encouraged to contact Leo Karabelas at leo@novoresources.com or +1-416-543-3120

ABOUT NOVO

Novo explores and develops its prospective land package covering approximately 9,000 square kilometres in the Pilbara region of Western Australia, along with the 22 square kilometre Belltopper project in the Bendigo Tectonic Zone of Victoria, Australia. In addition to the Company's primary focus, Novo seeks to leverage its internal geological expertise to deliver value-accretive opportunities to its shareholders.
